

**Public Information Center Virtual Meeting Notice
County of Morris
Freight Concept Development Study for the Realignment of
the Dover & Rockaway Railroad
Town of Dover, Township of Denville, Borough of Rockaway,
Rockaway Township, Township of Randolph**

The County of Morris, in cooperation with the North Jersey Transportation Planning Authority, the New Jersey Department of Transportation, and the Federal Highway Administration, will be hosting a Public Information Center meeting to inform local residents, officials, businesses and the general public of the Freight Concept Development Study that aims to identify ways to eliminate several at-grade crossings on the Dover & Rockaway Railroad located between Rockaway Township and the Town of Dover.

The purpose of the virtual meeting is to inform the public of the preliminary preferred alternative and to solicit feedback on the recommendation of the railroad realignment. This meeting is being conducted in conformance with Federal and State regulations. The public is invited and encouraged to comment on the study. For more information, visit DoverRailStudy.org. Meeting materials will be posted to the site following the virtual meeting.
